FAIRIES OF THE SEASONS

In this magical show, set on a handmade dress that twirls as the year turns, each season has its own fairy that takes care of changing the natural world accordingly. That is, until a grumpy gnome decides to rearrange all the season fairies, so things will stay the same all year round! Beautiful handmade fairy puppets and hand-felted animals invite young children to move, sing, and help the fairies of each season as they try find their way back.

We will have an opportunity to make our own fairies after the performance!

Recommended for ages 2-7.
