## Amherst ABC

The Amherst Committee for A Better Chance

For 47 years, Amherst ABC has provided a boarding home for academically talented and highly motivated students of color from disadvantaged school districts. ABC Scholars attend Amherst Regional High School and live in the ABC House at 74 North Prospect Street.

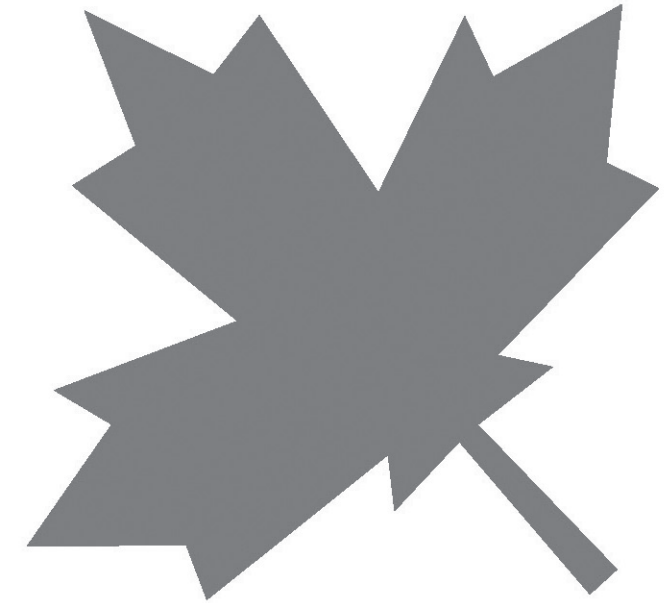

Amherst ABC depends entirely on contributions from private individuals and businesses who give through the Fall Foliage Walk and 5K Run and our annual appeals to run the ABC House on a budget of fewer than \$100,000.
