# **Mitten Making for Kids!**

**Rory Valentine will guide participants (ages 9 and up) as they each create one pair of up-cycled mittens. We will be using old wool sweaters, fleece, thread and buttons to embellish our new mittens. We have a selection of sweaters, buttons, etc., but feel free to bring your own.**

## **Registration Required- 259-1213**

Each participant should bring scissors and a measuring tape.

If you plan to make mittens for someone other than yourself, trace their hands on a piece of paper.

Not school sponsored.
