This family concert will feature joyful participatory ecology songs by Sarah Pirtle, author of "**My Roots Go Down**" and 100 other ecology songs. Sarah was recognized for the international impact of her work as the recipient of the Magic Penny Award (a lifetime achievement award) in 2007 from the Children's Music Network. Her most recent CD, called "Pocketful of Wonder", received the Parent's Choice Gold Award -- one of 12 national awards given to her recordings produced by *A Gentle Wind*.

Pete Seeger said, "If you want to hear some of the best songs out there today for children, listen to Sarah Pirtle."

This is not a school sponsored event.
