Come Join Us!

We are offering a facilitated support group for all parents/guardians living in Erving, Leverett, New Salem, Shutesbury and Wendell who would like support in managing day to day with their young children. Does your child have a diagnosed or un-diagnosed special need? Do you find it challenging to find someone you can talk to who understands what you are going through? Take part in discussions and get connected!

This group will be designed to focus around the needs of the child/family in the home environment. We will connect to provide informational resources and emotional support and networking. Families with children not yet in school and in elementary school are welcome.
